

Season's Greetings

Together with Danish
Red Cross you support
thousands of vulnerable
families with Christmas aid.

Together we enjoy Christmas. There is plenty of coziness, joy, good food and presents. But even though Christmas is a feast of the heart, there are some who do not share the joy. This year, our mission is to give Christmas aid to thousands of vulnerable families with children in Denmark. They receive a gift card for COOP, or a Christmas basket filled with Christmas food. The Danish Red Cross' Christmas Aid is more than a good Christmas Eve. We use the Christmas Aid to offer help and support to the families for the rest of the year, by inviting them in on our family activities. Only in this way can we ensure that no families are left alone when Christmas is over, and it becomes everyday again.
